CLASS-VII

Dear Parents and Students

As we embark on the summer vacation, I want to remind you of the importance of continued learning and growth during this time away from school. To ensure that our students remain engaged and academically stimulated, we have assigned summer vacation homework for all classes. This homework is designed to reinforce concepts learned throughout the year and to prepare students for the upcoming academic term. I urge all students to approach their summer homework with diligence and responsibility. Completing these assignments will not only enhance your academic skills but also help you start the new school year on the right foot. Parents, your support in encouraging your children to complete their summer homework is invaluable. By working together, we can ensure that our students continue to thrive academically.

If you have any question or concern regarding the summer vacation homework, please do not hesitate to reach out to your child's teachers .

Wishing everyone a productive and enjoyable summer break!

THE DOG AND THE BONE

Once upon a time, there was a dog. He searched everywhere for food, but it was in vain. An unexpected juicy bone appeared near the road. Picking up the bone with his mouth, he started walking back to his house. There was a bridge on the way to his home. The dog looked down into the river while crossing the wooden bridge. His reflection was there. The foolish dog mistook it for another dog. He wanted to get that other bone too. So, the greedy dog looked at his reflection and growled. The reflection growled back, too. This made the dog angry. He opened his mouth to bark; the piece of bone fell into the river. He had lost the piece of bone because of his greed and had to return home hungry.

Case Study

Running a coalition government is not an easy task as there is difference in their vision, goals and policies. According to some writers, a Coalition Government is more democratic, because it is formed by an agreement between many political parties. It commands 'wider support'. But most writers are of the opinion that a Coalition Government means a weak and ineffective government.

1. What is Coalition Government?

Ans:- _____

_____.

2. India has a single party system. (True/False)

3. A conflict between coalition partners may result in political _____.

Picture based question :-

Write the name of the parties in front of their symbols.

Case Study

In a Parliamentary form of Government, the Executive or the Council of Ministers is part and parcel of the Legislature. The Prime Minister and all other Ministers are members of the Legislature. They remain in power as long as they enjoy the confidence of the Legislature (Parliament). The moment a No-confidence Motion is passed, they have to resign. Thus , the relations between the Legislature and the Executive (the Ministers) are usually smooth.

- 1. Define the term Dictatorship.*
- 2. Who was the dictator of Germany?*
